

Horizon Health Network
Video Script

**VO: Hey You,
This is the life-changing opportunity you've been
looking for.**

*(These are samples, more hero shots will be included in
the final product)*

VO: To follow your passion and find your calling.

*(These are samples, more hero shots will be included in
the final product)*

**VO: To do what you're good at, and be a part of
something bigger.**

*(These are samples, more hero shots will be included in
the final product)*

VO: To join a team you know you will be proud of.

*(These are samples, more hero shots will be included in
the final product)*

VO: At Horizon,

(Dr. Bills, Miramichi)

*(Tight shot of hands on a steering wheel pulling into the
Miramichi hospital clearly seeing the ER out his front
windshield.)*

VO: we have over

(Dr. Bills, Miramichi)

(Cuts to medium shot of him walking with his briefcase on the right of the frame while an ambulance is driving by him with sirens on as he approaches the ER entrance.)

VO: thirteen thousand passionate employees

(Jamie, RN, Moncton)

(Rolling the patient down a hallway on stretcher looking down at the patient as she assures them they will be okay. Camera looking up at her as patients perspective.)

VO: and seven thousand volunteers working across our

(Dr. Bills & student doctors, Miramichi)

(Trying to keep the patient alive in trauma bay #3 with the trauma resuscitation machine. Assisted by his student doctors ideally. We can use dummy for this that he has in simulation class room.)

VO: province in over

(Jamie, RN, Moncton)

(Inputting patient data. Shows the light of the screen in her eye and then scales in on screen.)

VO: 150 different roles,

(Nursing unit clerk, Fredericton)

(Cuts to scale out on a different screen of the Nursing unit clerk reviewing patient info, she prints info and Tyson (Male RN) grabs paperwork and reviews info)

VO: all with the same goal — enhanced patient

(Tyson, RN, Fredericton)

(cuts to waist level shot of him walking with chart down hallway to pneumatic tube system. Tyson sends the tube request for meds for the patient to the pharmacy technicians.)

VO: and client care.

(Shot inside pneumatic tubes with a go pro inside with lights to show the movement.)

VO: Every member

(Jill, Pharmacy Tech, Miramichi)

(Receiving the order for the patients meds via the pneumatic tube system.)

VO: of our team

(Jill, Pharmacy Tech, Miramichi)

(She then prepares and fulfills the order.)

VO: strives daily

(End on shot of medication.)

VO: to put a smile

(Dominique, Fredericton)

(Providing patients family info as they approach the information desk. Key focus on the beautiful Horizon sign in behind her desk.)

VO: back on the faces of those

(Tyson, RN, Fredericton)

(Cuts to punch out shot of Tyson administering the medications via I.V drip bedside with the patient. You can see the patients family sitting bedside now with the patient having a smile on their face.)

VO: who could

(Karen Carlson, Cook, Moncton)

(Cuts panning down through the floor to reveal Karen Carlson (Cook) prepping for her shift at the lockers)

VO: use it the most.

(Karen Carlson, Cook, Moncton)

(Cuts to her loading the food trays and the plates of macaroni coming onto the food belt.)

VO: Every career

(Actor grabs plate of food and walks at Camera. Tight shot of plate. (Moncton))

VO: with Horizon

(Allan, Carpenter, Moncton)

(Cuts to medium scaling out shot of Allan (Carpenter) sanding a nearly finished bedside table on the sanding desk)

VO: is built around

(Allan, Carpenter, Moncton)

(Cuts to him smoothing his hands over it to removed the sawdust on the dust table.)

VO: delivering the best

(Norine, EVS Cleaner, Saint John)

(As he brushes dust off, a flare light in the back bleaches out the frame as a transition to Norine wiping the exact same table in the same composition and motion now upstairs in a patients room or duty room for doctors)

VO: possible service

(Heidi, Fredericton)

(Admitting a new patient, consoling them and making them feel welcomed as they struggle and hand over their medical info.)

VO: to those in need

(Norine, EVS Cleaner, Saint John)

(Walking her cleaning cart by the glass bay windows.)

VO: and their families.

(Norine, EVS Cleaner; Chuck Byers, Porter, Saint John)

(Cuts to a medium shot from behind her pushing her cart as a porter (Chuck Byers) walks by with a smile wheeling the admitted patient towards a thyroid examination with Dr. Dornan.)

VO: And every choice

(Dr. Dornan, Endocrinologist, Saint John)

(Cuts to Dr. Dornan (Endocrinologist) doing a thyroid exam on the patient smiling but focused. Shows screen of Nobulis machine imaging the thyroid.)

VO: we make is about

(Dr. Dornan, Endocrinologist, Saint John)

(Dr Dornan requests blood work via a computer in the clinic for the patient.)

VO: improving the wellbeing

(Jamie, RN, Moncton)

(Taking blood from Dr. Dornan's patient (actor) and submitting an order for blood work. Perspective looking at Jamie with a needle in foreground out of focus)

VO: of all New Brunswickers.

(Brittany, Lab Tech, Saint John)

(Cuts to tight shot of Brittany Larkin's eyes reviewing blood samples through her microscope.)

VO: This is your chance

(Brittany, Lab Tech, Saint John)

(Cuts to medium shot of her reporting data back into the system via a computer.)

VO: to join us in

(Ron & Donna, Senior Volunteers, Saint John)

(Cuts to a medium shot of a family coming into the hospital main doors (Possibly Saint John General) being greeted by Ron & Donna at the volunteer desk)

VO: making a real difference

(Ron & Donna, Senior Volunteers, Saint John)

(Cuts to a wide shot of them being escorted to the patients room down a nice hallway.)

VO: in their lives.

(Dr. Dornan, Endocrinologist, Saint John)

(Medium shot scaling out from base of patients bed of Dr. Dornan delivering results of tests in the patients room and patient smiling. Macaroni & drink on a platter nearby. Family holding hands with grins.)

VO: Are you ready?

(Fade to tag line)
