Défi pour A2 et + **VIRELANGUES**

What is it?

A virelangue, or tongue twister in English, is a phrase that repeats the same or very similar sounds several times. The challenge is to say the phrase as quickly as possible without making a mistake! It can be quite difficult!

Here are some examples:

Tonton Tati, ton thé a-t-il oté ta toux?

Si ça se passe ainsi, c'est sans souci.
